

## Community First Program

Do you have a fundraising event?

Is your non-profit organization looking for donations?

Does your classroom or after-school organization need supplies or equipment?

If you answered **YES** to any of the above questions, then consider becoming a part of the NWA Collision Center's Community First Program!

***Just follow these simple steps to get started:***

1. Contact one of our Program Coordinators by calling **479-267-5007**.
2. Complete and submit one of our Community First Program Registration Forms.
3. Send anyone you know who is in need of collision repair to Northwest Arkansas Collision Center.
4. Have your referral tell us the organization/fundraiser that they wish to support.
5. Once these steps have been completed, we will **send your program a check for 2%** of the total sale upon completion of repair.\*

**\* The Community First Program can not be combined with any other offer.**
